Shalom Kol Ami Family,

What a year it has been! As we each look back on this founding year, there is so much to be grateful for and so many moments to be inspired by. In the Book of Exodus, God says to the Israelites, “Make Me a sanctuary, and I will dwell among you.” Each one of us has been a part of building and creating this synagogue family. Together we have already shared so many moments of celebration and joy, and have also come together to hold one another through difficult transitions and loss. For our Unification has been about so much more than bringing two synagogue communities together. It’s been about engaging in the sacred work of creating a new synagogue family and identity, and looking at a very exciting and bright future as Congregation Kol Ami. This weekend of celebration highlights the tremendous amount of effort and trust, and the contributions of time and talent, that hundreds of individuals and families have given to make Kol Ami a reality. In this year of unification, we continue to embrace our past and commit ourselves to step forward into a future that is ours to build for generations to come! May we always go from strength to strength together.

L’shalom,
Rabbi Jennifer L. Frenkel

“The unification of our two congregational families has been everything we hoped it would be. Kol Ami is thriving not just as a continuation of our proud legacy congregations, but more importantly as an energetic new community focused on serving our growing membership in all aspects of synagogue life. Our building is bustling with activity, our schools are buzzing with enthusiasm, our sanctuary is full, and our many affinity groups are flourishing with activity, learning, entertainment, and personal growth. Our congregants have embraced this unification with enthusiasm and the results have been extraordinary. So many have given so much of their time, energy, and expertise to make this happen, and we are so proud to celebrate Congregation Kol Ami. Our congregation is strong and our future is bright. Mazal Tov Kol Ami!”

Wherever you go, there's
always someone Jewish
You're never alone,
when you say you're a Jew
So when you're not home,
and you're somewhere kind
of..."New-ish"
The odds are, don't look far,
'cause they're Jewish too
