Memorial Room

*Turn me around to yesterday that I may be consoled by its memories.
Rabbi Harold Schulweis*

As you enter the Kol Ami Rotunda this year for High Holy Days, you will see an updated Barry and Greta Platt Memorial Room. The beautifully designed gates of the Kaddish Prayer that once graced the Holocaust Room, will now welcome you at the entrance of the new Memorial/Holocaust Room. Along with additional room for memorial plaques as our congregation continues to grow, our beautiful Memorial/Holocaust Room is now a combined space where we can mourn everyone we hold dear.

Judaism teaches us that names are sacred and should be remembered. Purchasing a memorial plaque for \$360 is a meaningful way to be a permanent part of Kol Ami. You may purchase a plaque to permanently memorialize a loved one, or you may prepay to reserve a plaque for yourself.

In addition to our plaques, we are fortunate to have an Interactive Yahrzeit Memorial board that lists the weekly Yahrzeits of our loved ones. Our members and visitors have the ability to find their loved ones on the Yahrzeit board. We are happy to share the expansion of our digital system to include the ability to upload pictures, obituaries, stories, and photos for the cost of \$72 by contacting the office for their assistance.

Please contact Debbie Jeffreys to purchase a memorial plaque, or to add to our interactive digital yahrzeit board to djeffreys@kolaminj.org or (856) 489-0029. Thank you for trusting us with honoring the memory of your loved one.
